Vehicles - The assigned driver stay displayed without information after unassigning or archiving (task for BACKEND)
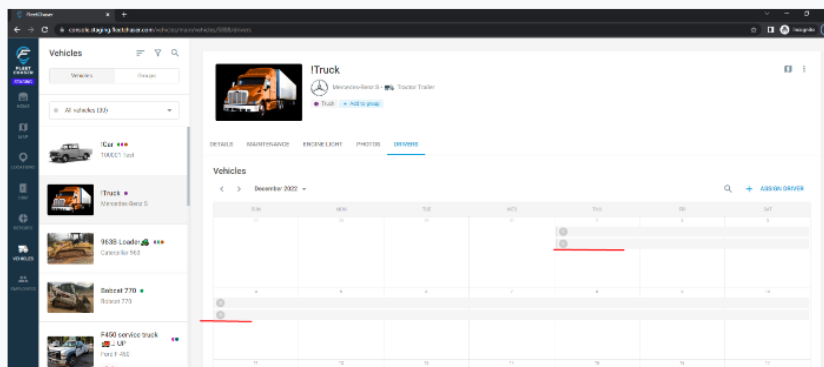

Environment:
PC Chrome/Safari

Steps to reproduce:

1. Go to the Vehicle tab
2. Choose any vehicle
3. Click "Drivers"
4. Click on any day of the month and assign a driver
5. Go to the Employee tab
6. Choose an employee who was assigned as a driver
7. Click three dots (...)
8. Click "Archive employee/Unassing as operator)

Actual result:
Can't delete or edit assigned driver when he was archived/unassigned as an operator

Can't delete or edit assigned driver when he was archived/unassigned as an operator

https://recordit.co/OI0QdutMs3

Expected result
The assigned driver disappeared in the Drivers calendar when it was Archived or Unassigned

Bug reproduction: 5/5
